Residence images are artist conceptual renderings intended solely for illustrative purposes and may not accurately represent the details of this specific residence. The specific orientation, views, window configurations, features, ceiling heights and design elements vary from home-to-home and are subject to change. Full project plans and specifications which contain all the design details of each home are available for review upon request. Square footages have been measured to the outside face of the exterior walls and are approximated based on architectural plans and subject to change. All residences sold unfurnished - the furniture shown in grey on floor plan is not included in purchase price. Presented by Slifer Smith & Frampton Real Estate.

AURA

AURA AMENITIES

Grotto

A private outdoor oasis located just off the ski trail serves as an extension of the Aura Lounge, with relaxing spa pools, fire features, a water wall and intimate landscaping.

Aura Lounge

A social gathering spot...think wine, cheese, hot chocolate, board games, sports viewing, and movie nights while gathered around a cozy fireplace.

Garage-In-Garage

A private, secure garage like you'd find in a single-family home but located in Aura's subterranean garage, with space for two cars and additional gear storage.

Aura Fitness Studio

A private fitness studio is located next to Aura Lounge, offering convenience and the ability to get in a quick work-out during a busy day.

Fitness Galore

Across Wood Road, Aura owners have access to the expansive SBVfit Fitness Center and King Yoga Studio in One Snowmass or swim in Village pool with 25-yard pool and water slide.

Ski Locker Room & Storage

A ski locker steps from the slopes with boot dryers and shelf space, as well as a dedicated ski rack in adjacent room. This room converts to bike storage in summer.
